OUR SERVICES

2-1-1

United Way
of North Central New Mexico

211 is an information and referral helpline that connects callers with human services. On average, 211 supports more than 5,000 callers with over 10,000 referrals a year and provides information on a wide range of needs. Recent advances in 211 services include updating our resource database to ensure callers receive accurate referrals; partnering with a live translation line to bring 211 to callers in multiple languages; and the addition of a 211 Disaster Response Coordinator to better support callers in times of disasters such as wildfires.

Family
ADVOCACY
CENTER

For sixteen years, the **Family Advocacy Center (FAC)** has supported victims of sexual assault and interpersonal violence. FAC offers a wide range of services at one location, which reduces additional trauma and stress for victims of domestic violence. More than 5,000 people seek services at FAC annually and are provided with shelter, food and clothing, physical safety, physical and mental health attention, advocacy and legal support, and ultimately opportunities for sustainable, positive change. Call 505-243-2333 to reach the FAC.

Tax
Help

United Way of North
Central New Mexico

Tax Help New Mexico offers free tax preparation services to New Mexico households with an annual income of \$60,000 or less. Tax Help relies on 190 volunteer tax preparers who work at 23 regional sites. In 2022, they completed 8,400 returns, resulting in \$16 million in refunds/credits returned to New Mexicans, which allows families to build their financial stability and helps our economy. Tax Help also offers opportunities to explore careers to high school and college students.

UWNCNM and the Albuquerque Community Foundation partner to advance diversity, equity and inclusion practices in the counties that the two organizations jointly serve. DEI United identifies practices and solutions to foster change leading to more equitable, racially just and sustainable solutions for systemic change within our north central New Mexico community.

Three pillars are addressed under the DEI United banner: community engagement; funding for grassroots, BIPOC-led, small nonprofit organizations; and equity in leadership development

GRANT MAKING

UWNCNM provides grants (in the areas of Impact, Basic Needs and Capacity Building) that support our efforts to engage in a comprehensive approach to improving outcomes for children, youth, and families at scale. This year, thanks to donors and corporate partners, we were able to grant over \$2.47 million to support 69 nonprofits in four counties (Bernalillo, Sandoval, Torrance and Valencia) and \$250,000 in Santa Fe to 19 nonprofits.

UWNCNM's grant-giving process utilizes Trust-Based Philanthropy, fostering change in an equitable and sustainable way to make our workplace and community one in which everyone has an equitable opportunity to thrive and succeed.

DONOR GROUPS

Our Donor Groups Are United in Purpose Through Volunteerism and Fundraising

Donor Groups at UWNCNM are a great way to get more involved in our community. Each group has a different focus, but the same purpose to make north central New Mexico a place where all people can thrive. Membership in a Donor Group is included with the gift of any amount to that Donor Group fund. We hope you'll join us!
