

BY THE NUMBERS

VALENCIA COUNTY 2023

UWNCNM awards to programs
serving Valencia County

22 GRANTS
\$693,028.00

IMPACT IN VALENCIA COUNTY:

- Professional development to grow the skills of early childhood professionals serving young children
- Regular and medically tailored meal delivery for home bound individuals
- Help families develop the skills needed to promote healthy functioning and reduce risk of violence, abuse, and neglect in the home; and increase positive familial and community relations
- Health equity trainings to support the community in assessing community barriers to accessing health-related services, and to engage with their communities to remove these barriers
- Mental health services for disabled military veterans and their families
